## SUMMARY OF VIOLATIONS

On APRIL 24<sup>th</sup> 25, 2019, the California Environmental Protection Agency, Department of Toxic Substances Control (DTSC), conducted an inspection at:

**Facility Name:** SAFETY KLEEN OF CALIFORNIA INC.

**Facility Address:** 745 WEST BETTERAVIA ROAD

**EPA ID Number:** SANTA MARIA      **County:** SANTA BARBARA

As a result of this inspection, DTSC discovered violations of the California Hazardous Waste Control Laws and its implementing regulations that are identified on the attached pages. You must correct the following violations within the schedule for compliance for each violation. If you disagree with the alleged violations listed in this Summary of Violations, you must inform DTSC in writing. If additional violations are found after this inspection, such violations, if any, will be identified in writing.

DTSC will provide you with a complete inspection report within 65 days of the date of this inspection. You may request a meeting with DTSC to discuss the inspection, inspection report, or this Summary of Violations. The issuance of this Summary of Violations does not preclude DTSC from taking administrative and/or civil action or from referring the matter for criminal prosecution as a result of the violations identified herein or violations that have not been corrected within the time specified by DTSC. Failure to comply with a schedule for compliance is a violation of the law subject to a civil penalty of up to \$70,000 for each day of noncompliance. In addition, a false statement that compliance has been achieved is a violation of the law and subject to a penalty of up to \$70,000 for each occurrence. DTSC may re-inspect this facility at any time.
